SCHOOL INTERNSHIP (16 weeks- 260 Marks)

**SEMESTER III
Practical Courses**

The Internship Program forms an integral and important component of B.Ed. programme; internship serves as a capstone experience that informs about and prepares them for the expectations of and how to succeed in the profession. Student teaching internships is an essential component for a student's success as a professional teacher. Student Teaching Internships provides students the opportunity to practice what has been learned on the university campus and, more importantly, it is an opportunity to continue academic and professional growth.
